**Public Comment:**

Aaron and Diane Babcock were present to ask what is going on, why can't they get their venue up and running while following all the rules and guidelines? However, the one is still in operation. They are being told by both the Health Department and TCA that everything has been turned over to the Warren Township Board. Linda Anthony reported that she knew that Denny Allen and Clay DeJongh have been in discussions with TCA and the lawyer weekly. Linda Anthony will follow up with Denny Allen and Clay DeJongh.

Richard Miller was present to inquire about getting Magruder road between Curtis and Baker worked on. Linda Anthony reported that Denny Allen was working with the Midland County Road Commission on the upcoming road projects and bids. Richard Miller also asked that the township get some farm equipment signage up on that road as this is something that the township should provide.

Art Rydman was present to inquire about our solid waste and recycling vendor. He noticed the increase in the taxes, has no problem paying that if they in fact were doing their job. He has witnessed the recycling being thrown in the trash. If we are paying for this service, then it should be provided. A few others at the meeting commented that they have seen this as well.

Dawn Clark made a motion to pay the December 2021 bills. Lisa Warner 2<sup>nd</sup> the motion and all were in favor.

Linda Anthony made a motion to adjourn the meeting at 6:59 PM.
